We hold information on a database: As below, including name, address, Tel number and email.

We may do a membership list. Only name and region live only will be published, and only to other fellows of the SOF
The SOF was created to help others, please state your preferences below to how we may use your information for other SOF fellows.

We will not give out any personnel data without your permission and we will not give or sell to any third party

You can contact ourselves at any time to ask us to delete personnel information from our records

Your Preferences	Member's list: Only region will be shown	* Give to another SOF member (see note below)	Comments/notes
If we produce a members list	Name and region	Name and region only	Name and region only
Telephone number		Yes or No	
Email		Yes or No	

* Emergency SOF "Fellow" broken down in your area or intends to travel in your area, as an example holiday or attending a rally and allows the comfort of knowing where assistance may be gained, even if only use of a few tools and a cup of tea!

Your data will not be given to another person without your permission

You may request your personnel data or part of it be deleted from our database

The data on the motorcycle is not personnel data, though you may request your link to that data deleted

Contact is rotor@onthebeam.co.uk

If you attend any event a fellow may promote, note that YOU are fully responsible for your own safety and by attending you are deemed to have accepted this principal.

Your machine must be roadworthy taxed and insured. You take full responsibility for yourself and your machine
